LOOKS GREAT On Your Retail Shelf

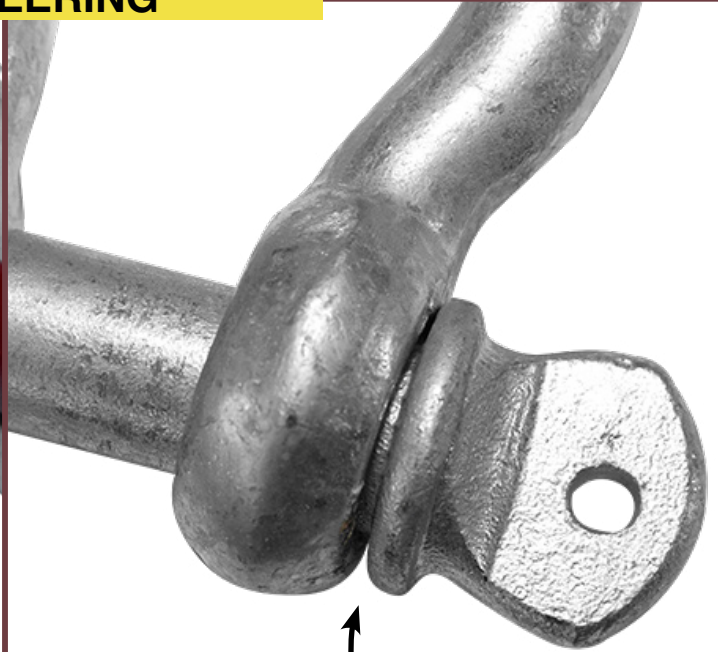

You Decide

ENGINEERING

Screw Pin End is
Flush with Bow

Pin Collar is
Properly Seated

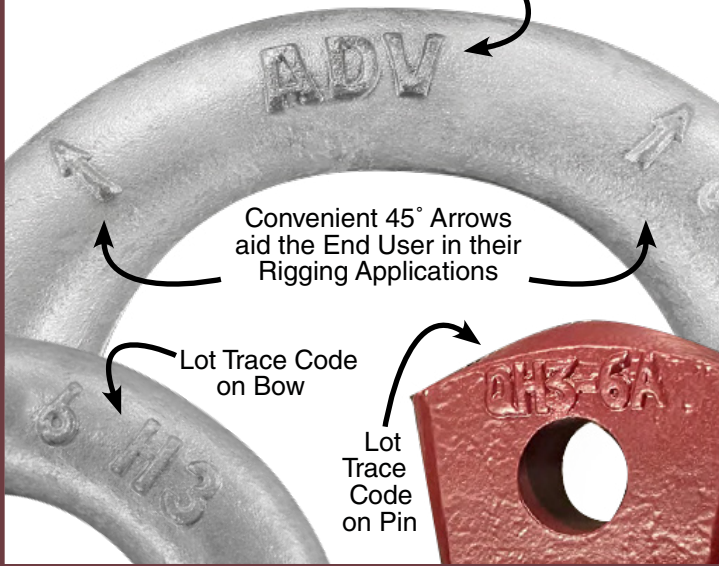

Pin Collar is Often Not Seated Properly,
Even with Brand New Shackles

TRACEABILITY & MARKINGS

TRACEABLE 

Traceable to Advantage with 'ADV' Marking at top of Bow

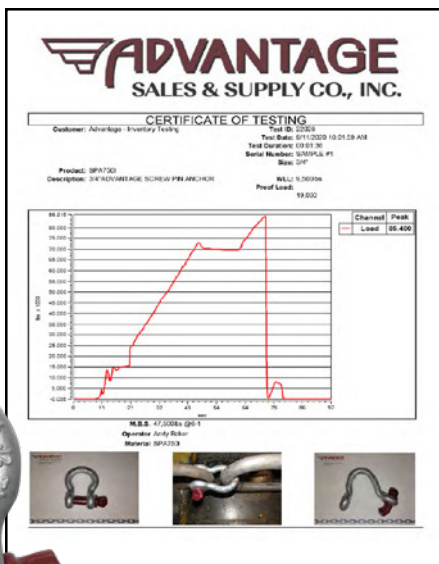

UNTRACEABLE

Most Import Shackles are Generic with only the Size, Working Load Limit, and "China", rendering them UNTRACEABLE

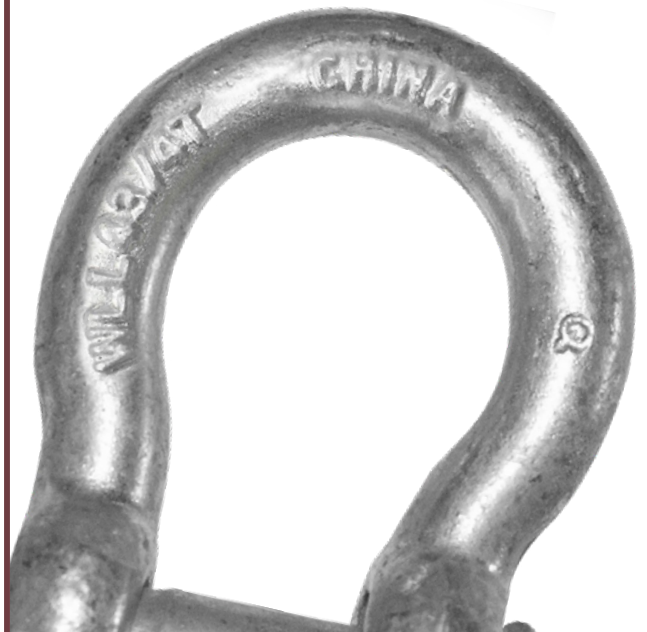

TESTING

All Advantage Shackles are Tested at the Forge, and then Re-Tested upon Receipt 

LACK OF RELIABLE TESTING AND DOCUMENTATION
